OUR CLASS TRIP

Seniors on the Steps of the Capitol

CLASS HISTORY

In August of 1961, we entered this institution of higher learning. We, 26 in number, then readied ourselves for the rather dubious experience of initiation. We were enslaved onto our superiors, but we survived the day. Then we soon settled down to the work at hand.

Our second year started off with our initiation of the freshmen. To get revenge for what we suffered the year before, we submitted them to the harrassment of all the student body. We again settled down to earn money for our ultimate goal, a trip to Washington D. C.

Our third year was perhaps the most exciting of the four years. We had a new advisor when we started the new school year. The previous two years our class advisor had been Mr. Dhien, but Mr. Johnson took over.

We started the year out with the class plays. The junior play was "Who Dun' It."

The prom was probably considered the most important event of our junior year. Its theme was RAINBOW AT MIDNIGHT, with our royalty Judith Harding and Peter Heikkinen, presiding over the occasion. The highlights of the decorations were the effective lighting, the hundreds of stars, and the big rainbow on the stage. Jimmy Steiber and his band furnished the music. The prom was very successful.

A week later we held the post prom with music by the Starfires.

In the spring we held a pulping bee, and 24 cords of pulp were peeled.

In August of '64 we began our last year at T.H.S. We presented our class plays in the fall. The senior class play was "The Search For Wildcat McGillicuddy."

Next on the agenda is our trip to the East Coast. We plan to visit Washington D. C., and New York. While we are in Washington D. C., we plan to visit the Washington Monument, Lincoln Memorial, Mount Vernon, and many other interesting places. The World's Fair will be the most interesting place to visit while we are in New York.

We are now looking forward to our graduation on May 21, 1965.

Of the above only James Laine and Peter Raleigh failed to participate in the local contest held on February 18. Those chosen to compete at Rib Lake were Lenore and Linda in Prose Reading; Tedi and Gene in Poetry Reading; Helen and Barbara in Memorized Declamations; Peggy and Tony in Public Address; Ervin and Kathy in Non-Original Oration; Karen and Mona in Original Oration; Paige in Four-Minute Speech; Wallace in Extemporaneous Speaking; and John, Leon, and James Maki in Play Reading. Eleven of these speakers earned A's. This put us in second place in the league contest. Helen, Barbara, Peggy, Tony, Ervin, Kathy, Tedi, Gene, Linda, Paige, and Wallace were these winners and they all competed in the district contest held at Hurley, March 13. Helen, Tedi, and Wallace received A's there. These three attended the state forensic contest held at Madison, April 10. Though no one received an A, we are very proud that our school was so well represented at the state contest.

From here
to reality

The school door is closed.
But your education is far from complete.
It is just beginning.
Yesterday's lectures don't always apply to tomorrow's problems.
Yesterday the most important thing you learned was HOW TO LEARN.
Tomorrow brings graduate school, the draft, a mortgage, marriage, parenthood, success --or failure.
From now on you are playing for real, not for marks on a report card.
So to the Class of '65 we say this:
You can look upon your education as a tough grinding accomplishment and sit back to ask, "NOW WHERE'S MY REWARD?" or you can look upon it as preparation for the uncertain reality which lies ahead.
